Call for Applications

Professorship at Division of Light Application for Advanced Technology

1. **Call for application:** One associate professor position
2. **Division:** Functional Material Property
3. **Research field:** Research and development of the novel functional materials, and related novel analysis and evaluation technologies using soft X-ray region. And collaborative research with industries. Having skills of design and construction for soft X-ray beamlines.
4. **Lecture:** Subjects of Department of Mechanical Engineering and Metallurgy, School of Engineering, and of Department of Materials and Synchrotron Radiation Engineering, Graduate School of Engineering
5. **Qualifications:**
 - 1) Ph.D. or equivalent degree
 - 2) Have an enthusiasm and experience of supervising graduate course students
 - 3) Japanese ability to communicate with students
6. **Starting date:** 2021/4/1
7. **Rank:** Full-time (Tenured).
8. **Application materials:**
 - 1) Curriculum vitae (in any form) with the applicant's photo pasted.
 - 2) Summary of the previous research (ca. 1,000 words)
 - 3) Publication list categorized by refereed journal papers, review papers, books, patents, and others with the applicant's name underlined
 - 4) Reprints of no more than five major papers (Mark these papers by * in the publication list)
 - 5) Title and summary of the proposed research (ca. 2,000 words)
 - 6) Summary and prospect of the education (ca. 1,000 words)
 - 7) Summary and prospect of the contribution to the society (ca. 1,000 words)
 - 8) Contact information of two persons to whom we can refer about you (Name, affiliation, address, phone, e-mail)
 - 9) Contact information of the applicant (Name, affiliation, address, phone, e-mail)
9. **Deadline for applications:** 2020/10/26 no later than 17:00 JST.
10. **Screening method:** Screening of the documents and interview including a trial lecture. The interviewee has to pay his/her own travel expenses to attend the interview.
11. **Document submission:** Enclose the above documents in an envelope, write "Application for professorship of Functional Material Property" in the red on the envelope and send it to below address by registered mail. And please note that the documents will not be returned after the selection.
